

TOP DENTISTS 2019

SUNITA MERRIMAN, DDS

GENERAL DENTISTRY

DR. SUNITA MERRIMAN BELIEVES THAT ORAL HEALTH IS THE CORNERSTONE OF SYSTEMIC health, which is why she bridges dentistry and overall wellness at her Westfield practice. By providing comprehensive dental and preventive care, Dr. Merriman is able to educate her patients so they can achieve pristine oral health.

Patients receive a wide range of treatments at her office, including fillings, Invisalign, implants, crowns, bridges and other general services. Dr. Merriman also offers treatments for patients who suffer from obstructive sleep apnea and snoring.

“Our Dental Sleep Center (NJDSMC) is involved in screening patients for sleep disorders, providing oral-appliance therapy and educating dental and medical professionals about dental sleep medicine,” she says.

To stay updated on emerging tools and technologies, Dr. Merriman attends conferences, reads published materials and regularly converses with colleagues. As a commitment to her passion for treating patients with sleep disorders, Dr. Merriman has successfully attained the status of Diplomate with the American Board of Craniofacial Dental Sleep Medicine. She is also board eligible for the American Board of Dental Sleep Medicine, after a rigorous process of attending continuing education, successfully passing written examinations and submitting actual patient cases for board review.
